

Covenant Family Health Care

Covenant Family Health Care is a nurse practitioner owned, patient centered practice new to the Marietta area that is currently accepting new patients.

Our office hours are:

8:30 AM to 5:00 PM Monday to Friday

8:30 AM to noon Saturdays

We are equipped to diagnose and treat both acute and chronic illnesses. Acute illnesses include such problems as:

- Colds and upper respiratory infections
- Bronchitis
- Rashes
- Exacerbations of asthma or COPD
- Minor laceration repair
- Muscle sprains/strains
- Ear aches or infections
- Flu
- Abscesses

Chronic illnesses are problems that require continual monitoring and often long-term medications; such as:

- COPD/emphysema/asthma
- Diabetes
- Hypertension (high blood pressure)
- Hyperlipidemia (high cholesterol or triglycerides)

We are also able to provide in-house testing and lab services for routine lab work, STD testing, flu, strep, mono, pregnancy testing, and urinalysis. Our service includes physicals for DOT, well child visits, sports, and pre-employment physicals.

Covenant Family Health Care will soon be adding telemedicine to our list of services. Telemedicine is a unique method of gaining access to your provider for information, assessment of minor ailments, or routine needs; such as medication refills without making a trip to the office. Face-to-face contact with your provider will be as close as your computer or smart phone.

Please call 740-373-1944 to schedule your appointment.

Sincerely,
